

Leah Ren-Ai Koenig

550 16th Street
San Francisco, CA 94158

leah.koenig@ucsf.edu
ORCID: 0000-0002-4982-8672

Education

2024 (<i>expected</i>)	Ph.D., Epidemiology	University of California, San Francisco (UCSF)
2017	M.S.P.H., Reproductive Health	Johns Hopkins Bloomberg School of Public Health (JHSPH)
2013	B.A. Honors, College of Social Studies	Wesleyan University

Academic and Professional Appointments

2023–Present	F31 Predoctoral Fellow, National Institute of Child Health and Human Development	University of California, San Francisco
2020–Present	Research Data Analyst	Advancing New Standards in Reproductive Health, University of California, San Francisco
2020–2022	T32 Predoctoral Fellow, National Institute on Minority Health and Health Disparities	University of California, San Francisco
2017–2020	Research Associate (faculty)	Johns Hopkins Bloomberg School of Public Health
	Assistant Study Director	Global Early Adolescent Study, Johns Hopkins Bloomberg School of Public Health
2016–2017	Technical Consultant	American Foundation for AIDS Research
	Research Assistant	Global Early Adolescent Study, Johns Hopkins Bloomberg School of Public Health
2015–2017	Research Assistant	Bill & Melinda Gates Institute, Johns Hopkins Bloomberg School of Public Health
2016	Public Policy Fellow	Guttmacher Institute
2013–2015	Program Assistant	Gynuity Health Projects

- 2016 **Koenig LR**. Qualtrics and electronic data collection: an introduction. Institute for Population and Social Research, Mahidol University. Salaya, Thailand.
- 2015 **Koenig LR**. Exploring a patient-centered approach to mifepristone administration for medication abortion. Presentation to Planned Parenthood of New York City. New York, NY.

Teaching

Mentorship and Advising

- 2023 Sylvie Wilson, MSPH student, Paper Mentor, Johns Hopkins Bloomberg School of Public Health
Kalani Kieu-Diem Phillips, PhD student, Paper Mentor, University of California, Irvine
- 2022 Linda Shin, MD student, Paper Mentor, California University of Science and Medicine
- 2019 Cierra Virtue, MPH student, Academic Advisor, Johns Hopkins Bloomberg School of Public Health

Classroom Instruction

- 2024 Lecturer, Introduction to Programming in Stata, University of California, San Francisco
- 2023 Lecturer, Introduction to Programming in Stata, University of California, San Francisco
Guest Lecturer, Equity Issues in Reproductive Health, University of California, San Francisco
Teaching Assistant, Equity Issues in Reproductive Health, University of California, San Francisco
Teaching Assistant, Informatics Tools for Health Disparities Research, University of California, San Francisco
- 2021 Section Leader, Epidemiologic Methods, University of California, San Francisco
- 2017 Teaching Assistant, Understanding and Changing International Reproductive Health Policy, Johns Hopkins Bloomberg School of Public Health
- 2016 Teaching Assistant, Leadership Applications in Population, Family, and Reproductive Health, Johns Hopkins Bloomberg School of Public Health

Service

- Institutional Leadership Committee Staff Representative, Advancing New Standards in Reproductive Health, 2023–2024
PhD Student Representative for Diversity, Equity, and Inclusion, Department of Epidemiology and Biostatistics, 2022–2023

	Department Student Alliance President, Johns Hopkins University, 2016–2017 Student Organizing Committee Co-Founder, Johns Hopkins University, 2016–2017 Public Health Students for Choice Co-Lead, Johns Hopkins University, 2015–2017
Community	Political Action Volunteer, Planned Parenthood of New Hampshire, 2019–2020 Clinic Escort, Bridgeport, Connecticut, 2009–2013
Referee	Journal of Adolescent Health JAMA Network Open Health Equity Contraception BMJ Sexual & Reproductive Health Journal of Women's Health Sexual and Reproductive Health Matters
Memberships	Society of Family Planning Society for Epidemiologic Research National Abortion Federation Population Association of America (session chair, 2024)
